

Appendix B1

Ring currents of ferrocene (A) plane A π -orbital contribution, (B) plane A total orbital contribution, (C) plane B π -orbital contribution, (D) plane B total orbital contribution, (E) plane C π -orbital contribution, (F) plane C total orbital contribution.

Appendix B2

Ring currents of $[\text{Ti}(\text{P}_5)_2]^{2-}$ (A) plane A π -orbital contribution, (B) plane A total orbital contribution, (C) plane B π -orbital contribution, (D) plane B total orbital contribution, (E) plane C π -orbital contribution, (F) plane C total orbital contribution.
